

Dear Student,

Here is another break , a break from the routine of a regular time table a classes. All the last eleven years you enjoyed every holiday the way you wanted. Now that you are in the top class the pattern has altered a bit, just for this year. (I am reminded of a song from Sound of Music, “ I am sixteen going on seventeen ...)

Spending a few moments with your English books can be a form of relaxation. It really depends on how you take it (as Tom Sawyer said while whitewashing the fence).

Make colourful or not so colourful mind maps on lessons already covered. Cut and paste a few reports, accidents and events.

And go an extra mile by devising programmes for each day listed below. It can be a poster, an advertisement, a notice, an article, a speech or a letter. The choice is yours.

1. **Begin with a smile**

OCTOBER 7

2. Proud to be an Indian? Prove it.

2. Don't forget to post a letter to your pal today.

3. A speech on need to be empathetic towards those suffering from some sort of mental illness would serve the purpose.

Mental health
BEGINS WITH *Me*

4. What about a Poster for the girl child!

**People love to have a “MOTHER”
People love to have a “WIFE”
People love to have a “SISTER”
People love to have a “GIRL FRIEND” too,
Then why not a daughter?**

5. The task is given in the poster .
OCTOBER 12 World Sight Day

#snapforsight

Capture your moment

- Are we prepared to face disasters? Create an awareness poster.
World Calamity Control Day (UN)

- Today it is about maintaining quality. Commerce students know it better. For those who find quality quite boring, you can have a boiled egg and enjoy World Egg Day.

OCTOBER 14 WORLD STANDARDS DAY AND WORLD EGG DAY

7. Now I leave it to you to decide what to do to express your solidarity with the blind.
World White Cane Day October 15

9. Your choice again.
